

## Pet Policy

- Pets are allowed in Camping Village at Management's discretion for a maximum of 2 pets per accommodation/pitch.
- Only small sized pets up to 40 cm at withers are allowed.
- The presence of pets and their breed/size should be absolutely notified during the booking confirmation and also upon arrival.
- The General Management might decide not to accept the pets at own discretion, in case they are not in compliance as declared at the moment of the booking.
- In the Camping Village dog owners can find free of charge dog waste bio-bag dispensers in order to keep the camping area clean.
- Pets are allowed in the whole campsite, except in the sanitary facilities, mini-market, sports facilities, playground, and some areas of the restaurant. Pets must be always kept on a leash and in case of aggressive animals muzzled.
- Pets are not allowed in the beach, according to the rules of the Harbour Office, and in some areas of the camping such as the market, the sport fields, the sanitary facilities and the playground. Instead, they are allowed in some area of the restaurant.
- It is strictly forbidden to wash pets in the public showers or in any area of the sanitary facilities. They could be washed just in specific areas designed from our staff.
- The owners must make sure that their pets do not disturb the other guests of the Camping Villaggio or invade other accommodations/pitches.
- It is a duty of the owners to ensure maximum pets' compliance with hygiene and health regulations during the stay in the accommodation. It is forbidden any use of bed and bath linen for the pets and to let them get on beds, armchairs, chairs and tables.
- The owners are completely responsible for any damage to people or to facilities/accommodations in the camping caused by pets.
- Every visitor/guest of the Camping Villaggio declares to have read the terms above and to accept them without any exception.
- The General Management reserves the right to remove the guests who do not comply the rules above from the Camping Villaggio.
- The General Management does not also accept any mistreatment of animals, even if done from the rightful owners. Any case of mistreatment will be immediately reported to the competent authorities.
